# A Community Preschool *Green* beginning

## Panda Bears Registration (Parent/Me)

School Year: 2025-2026 (or 20\_\_ - 20\_\_)

Our Panda Bears classes are for children ages 3 months and up with their parent or other caretaker. Following Green Beginning's non-judgmental approach rooted in RIE\* ideas, parents and caretakers are provided with a safe, rich, and supportive community to share in parenting experiences and receive invaluable guidance and tools to use in their parenting journey. All classes include floor time, parenting discussions, education in RIE philosophy, and more! We offer both infant and toddler classes. Infant classes are geared toward children who are not yet walking whereas toddler classes are geared toward children who are already walking. The program runs from September through May.
